

HIGH-IMPACT SUMMIT

11·12
NOVEMBER
2025

RECOVER • REIMAGINE • RESTORE

SCOTLAND
THE SOCIAL HUB GLASGOW

WHAT TO EXPECT:

- **50 changemakers** from conservation, innovation, policy & community
- **Keynote talks:** Experts from marine conservation, recycling, fashion & activism
- **Workshops:** Hands-on think tanks tackling beach waste & materials without recycling pathways
- **Panel discussions:** From scaling up coastal action to shaping what we ask of policymakers
- **Networking opportunities:** Connect with leaders, activists & organisations driving real impact

**To aid with getting to know each other, we ask that you supply a short introduction to yourself and your organisation.
This should be submitted by 1st November.**

Our roving filming team will be undertaking interviews with participants throughout the day.
You are welcome to wear logo'd clothing to promote your organisation in any footage.

SPEAKERS

Catherine Gemmell Simpson

LITTORAL LOTTO: A PROJECT FUNDED SURVEY FOCUSED APPROACH ON FISHING AND AQUACULTURE LITTER

Vicki Last

PRACTICAL DETAILS

Event support: David (+44 7925 548358)

Tech support: Elven (+33 6 38 05 47 32)

- **Hotel Rooms available** at the Social Hub with 15% discount : 'EVENTS25'
Number of alternatives are also close by to G1 1TQ.
- Vegan **snackbox lunch*** will be provided, along with tea, coffee and biscuits during the morning and afternoon breaks.
- Presentations and panel discussions **will be recorded** and may be put online after the event. Please ensure that any images used in presentations are **credited and are licensed** for public use.
- On the day, a **table will be provided** in the social area for any groups to place leaflets or information regarding their work around marine debris for others to read and take away. **Please bring these with you on the day.**

A large, faint, circular logo in the background. It features a stylized wave in the center, with the word "PROJECT" arched over the top and "ONE WAVE" arched under the bottom. Two small crown icons are positioned on either side of the wave.

Thank you for joining us on this journey.

Your presence and participation will help make the first Project One Wave Summit
the most powerful moment of connection and change.
